**Balda Foundation
Council Meeting Dated : 08.10.2003**

Subject : Balda Foundation –FMP Holding – Park Ave Real Estate Transaction

Purpose

The purpose of the meeting is to inform the council members in relation to recent developments concerning the proposed Park Ave real estate transaction, which was approved by council members in a circular resolution.

Background

The structure to be established to make the investment, envisaged creating a Delaware trust investing through an underlying Cayman company into FMP Holding (« FMPH »). FMPH would in turn invest in the onshore structure in the US. The beneficiaries of the Delaware trust would include a Cayman trust and companies.

Present Situation

Various due diligence matters relating to the above structure remain unresolved and as of today's date the Delaware and Cayman structures have not yet been established and as a consequence they do not have operational bank accounts through which the investment funds could flow. The transaction is scheduled to close within 48 hours and Mr B. Steinmetz the investment advisor of Balda Foundation is extremely anxious that this investment opportunity should not be missed.

Proposed Solution

The transaction is being funded USD 3.75 million by Balda Foundation and USD 12.0 million from FMP Global. It is proposed to transfer these funds directly to FMPH. Thereafter the funds USD 15.75 million approx would be transferred by FMPH to:

North Fork Bank
